

Fulfilment of conditions – Modification of the administrative decision on accreditation of the location of study programme of MODUL University Vienna Private University

At its 41st meeting on 28th June 2017, the Board of AQ Austria decided to grant accreditation to the modification of the administrative decision on the accreditation of the study programme “Bachelor of Business Administration in Tourism and Hospitality Management” according to para. 24 Act on Quality Assurance in Higher Education (HS-QSG) section 4 and 5 in conjunction with para. 2 Private Universities Act (PUG) in conjunction with para. 9 section 1 Decree on Accreditation of Private Universities (PU-AkkVO) subject to the following conditions, because the criteria according to para. 17 PU-AkkVO were fulfilled except for criteria:

- para. 17 section 2 lit a: A sufficient number of scientific or artistic staff is available for the degree programme, possessing the didactic qualifications necessary for teaching at universities and, in the case of certificate university programmes - if required by its profile - also professional qualifications.
- para. 17 section 4 lit b: The facilities and equipment required for the degree programme are available.
- para 14 section 5 lit d: The degree programmes offered at the location Nanjing have demonstrably been integrated into MODUL University Vienna Private University's quality management system.

- (1) *To assure continuous teaching and research activities in the study programme, sustainable replacement for the Programme Area Directors' functions should be developed.*
- (2) *To ensure sufficient equipment for the purpose of both self-study and research, the amount of programme related academic literature has to be expanded significantly, in particular literature in English, latest by the beginning of the second semester of the programme.*
- (3) *To facilitate the programme curriculum and the research in Economics (e.g. Macroeconomics, Microeconomics) and Business Administration (e.g. RH Management, Supply Chain Management), the library should provide access to several relevant*

academic journals in this field of study latest by the beginning of the second semester of the programme.

- (4) *To ensure the uniform quality of the study programme, the English language requirements for application and enrolment have to be revised, reassessed, and set to the level of B2 in accordance with the Common European Framework of Reference for Languages: Learning, teaching, assessment (CEFR) without an option of a conditional admission to the study programme.*

At its 51st meeting on 12th December 2018 the Board of AQ Austria viewed the conditions as fulfilled.
