Projects - General Information II

What can be funded by ASEA-UNINET Austria:

Above all the transcontinental mobilities of the ASEAN and the Austrian researchers und PhD studentes participating in an ASEA-UNINET project. This is:

- A subsidy to the travel expenses: up to 1.500 Euro per transcontinental mobility
- A grant for the living expenses of these researchers/PhD students in the partner country: up to 110 Euro per working day / up to 1.300 Euro per month

The actual costs of a project are often higher. These costs must be borne by the home or the host university (or by the funding recipient).

Project duration: 1 and 2 years. The consumption period usually begins on October 1st and ends on September 30th.

Duration of mobilities: One mobility may last between a few days and a maximum of 3 months.

Funding volume:

- Up to around seven mobilities within one project.
- Average funding amount per project: 15.000 Euro - 20.000 Euro (at least 5.000 Euro)
