INTRODUCING THE EUROPEAN RECOGNITION OF PRIOR LEARNING NETWORK

About Us

Hello! We are an association of national RPL Networks and institutions in the European Higher Education Area with a common interest in RPL. Our founding partners are AQ Austria, HRK (Germany), THEA (Ireland), RANNIS (Iceland), UHR (Sweden), MZO (Croatia), GU (Sweden), EUA, EURASHE, ENQA.

Our Aims

We work together to:
- Support the establishment and advancement of national RPL networks
- Expand and enhance the use of RPL in higher education
- Share experience and learning on the implementation of RPL
- Provide a common voice on RPL issues

Benefits of Membership

- Access to a network of experts, and advice on implementing RPL
- Support in establishing, maintaining and fostering sustainable national networks
- Gaining a broader perspective through transnational engagement
- Peer learning opportunities, such as international staff visits

New Members Wanted!

Our network is looking for new members! Contact our Coordinating Committee for more information:
